ONLINE BOOKING

The LCM currently uses PayPal as our secure online payment provider – please note you DO NOT need a PayPal account to use this service. Once you have gone through to PayPal, you can checkout as a ‘guest’ by using the boxes on the left hand side, just enter your card details as normal. This is not very clear on the PayPal site.

If you do not wish to use PayPal you can call the office (10am – 8pm) and book your course over the phone!

Please note: When purchasing an online course the payment is made directly to the provider, ETS.
